\$10,000 BIBLE SCHOOL SPECIAL NEED!

The Lord made it possible for Kathy to obtain Scholarship from our home Church, Victory Christian Center in Tulsa, Oklahoma to attend the Victory Bible Institute School of Worship. She graduates May 26, 2013. Here below is the personal plea she posted on Facebook:

"This morning (Sunday, April 21, 2013) during worship @ VCC Church service, I saw myself excavating for buried treasure! It really touched my heart! I believe this buried treasure is the musical gifts and talents of the African people! But I need help to excavate these treasures. So, we are in need of equipment such as keyboards and guitars and any other musical equipment we can "dig up" to ship back to Cameroon! If you or anyone you may know who would like to donate new or used equipment or the funds to purchase them, it will be greatly appreciated and a blessing to the International Victory Bible Institute School of Worship in Cameroon that begins this Fall-2013! Please pray and agree with me, as well as for someone who is gifted in teaching musical instruments to come and help teach and mentor the awesome African people!"

\$10,000 SHIPPING NEED!

We are trusting the Lord for funds to enable us ship donated 4x4 vehicle(s) in a 40' container along with musical instruments for the School of Worship, books for the Bible School Library, and misc. ministry materials. We are challenged in the effort to take the Gospel to the unreached in remote villages and are in need of 4x4 vehicles that will enable us reach the last frontier of missions. Your generous financial contributions will enable us reach more unreached people, and train more leaders to do the work of ministry in these End Times.
