A TESTIMONY ON THE FRUITFULNESS / PRODUCTIVITY OF V.B.I. IN MY LIFE AND MINISTRY TO PASTORS JOHN & CATHY NGOH.

Dear Pastors John & Cathy Ngoh; My warmth greetings. Shalom. Remember I gave a brief testimony on how much V.B.I has fulfilled my life and ministry on the 25th June 2011 during the Graduation ceremony. I just believe it is necessary to give a broader summary of my testimony in this form. I am one out of the first batch of V.B.I Kumba – Cameroon. I attended the School of Ministry in 2003 and the School of Leadership in 2004.

Well, before I came to V.B.I., I knew I was called into one of the five fold ministries. I was already ministering in my Local Church as one of the Sunday School teachers. I was doing well as acknowledged by my Pastor then, but I was not efficient. When I started V.B.I, in fact, everything started evolving. Within a few weeks of attending classes I soon realized my limitations and also how enhancing the courses were and would be.

After graduating from the School of Ministry I was immediately appointed the Head of Sunday School in my Local Church. I could teach, preach and above all I became very bold to minister everywhere I went. The gift of Healing was so powerful and visible so much so that I will go to the hospitals in Kumba on weekly basis to pray for the sick. In fact, the Courses on the Holy Spirit and Gifts of the Holy Spirit that you taught were a *transformer* instilled into my essence. Oh, I tell you Brethren, I had encounter with the Holy Spirit on daily basis.I came face to face with that which brings transformation and that which transforms (The Word). V.B.I. gave me the **Word** – that immediately opened the door for the manifestations of the Holy Spirit.

.....Pastors John & Cathy Ngoh, I wish to ask you to permit me to humbly qualify you: You have been good sowers and I believe today you are best Sowers. You both brought the Seed – the Seed was and is *V.B.I. Training Programmes*. Please permit me further to say – from my batch alone about ninety percents are ministering full-time or heading or representing other Churches.

I seek your spiritual assistance. I seek your prayers. I wish to say to you both, 'You are Generals in the Salvation Army of the Lord.' To Pastor Cathy, you have shown how devoted a servant should be. You have served God along with your husband in a very tough and hostile spiritual environment like Limbe and some enclaved areas of Cameroon. To Pastor John, you have surely never slept in your battle field because you have certainly accomplished a lot and through you Cameroonians have benefited a lot from your benevolent partners all over the world.

There are a lot to share with you but perhaps someday I will pen another page.

Thanks. You are good Sowers.
Your Upspring,

Pastor Gideon M. Kebei

743 students have graduated from the VBI programs in Limbe (Missions Base), Tiko, Kumba, and Bafoussam (Extension Schools). 90 per cent are actively involved in ministry reaching out to the lost and discipling the saved. To God be the Glory!

LAND BREAKTHROUGH

We recently received a decree from the Minister of State Property and Land Tenure officially allocating the first parcel (about 3 acres) of land we requested from the government for socio-cultural development for the benefit of the population of Limbe our missions base. We are now trusting the Lord for the finances (**\$10,000**) needed to comply with all the taxes needed to secure it for long term usage.

URGENCY TO TAKE THE GOSPEL TO THE UNREACHED

***46%** of the world's population has never heard the gospel, according to the "Joshua Project".

*Every day, more than **93,000** die without Jesus Christ, according to the "World Christian Trends"

*Only **10,000** missionaries are currently working among the unreached. It is estimated that another **35,000** missionaries are needed to accomplish the task, according to "Momentum Magazine".

Time is Short. Now is the time for us to ACT. Jesus said, "*As long as it is day, we must do the work of Him who sent me. Night is coming, when no man can work*".....(John 9:4-5).

"He is no fool who gives what he cannot keep to gain what he cannot loose".....

APPEAL FOR URGENT NEED!

A rugged 4x4 vehicle with a pay load like the one pictured above is needed for the many trips to remote villages to prepare for outreaches, for reliability, and capacity to haul supplies such as bottled water for use during outreaches. As some of you know, our missions base vehicles are not quite suited for the bad road conditions (unpaved paths) we encounter as we venture into the outback of the country to access people with great spiritual and health needs. The 1999 Nissan Pathfinder that was donated to us a few years ago is needing to be replaced due to an accident and deterioration.

If every Practice, business, or ministry plants a **\$1,000** or above contribution and every one sending a **\$100** or more contribution, the need will be met. This need is about **SOULS (over 100,000 won so far)**. Any seed planted works towards the winning of souls for the Lord's kingdom.

PLEASE DONATE BEFORE **AUGUST 31, 2011**, ANTICIPATED SHIPPING DATE.

THANK YOU AND REMAIN BLESSED!
